CERTIFIED SUPPLIER CONFIRMATION

This letter is to confirm your acceptance into the Meggitt Aircraft Braking Systems Certified Supplier Program. With this acceptance,

PRECISION LASER PROCESSING

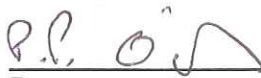

has been authorized by MABS[®], to perform inspection and acceptance of the parts and processes listed below in lieu of MABS[®] Supplier Source Surveillance. The delegated Certified Vendor Representatives (CVR's) at **PRECISION LASER PROCESSING** are listed under separate cover. Additions and/or deletions to this list of CVR's will also be handled under separate cover.

This authorization has been extended as a result of an excellent quality system. Retention of the authorization will be contingent upon continued compliance with MABS[®], and the Certified Supplier Program requirements.

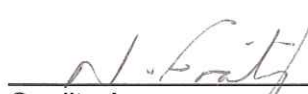

This authorization requires that the certified vendor representative comply with the requirements stated in the Certified Supplier Manual QAP 7-4-01, which was issued with the CVR Stamp.

Product/Process Approved For;

PRODUCTION OF COMPONENTS BY LASER PROCESSING
